MEMPHIS AHEAD. last night by the APPEAL are found The New York Prize of One Hundred Thousand Dollars for a Steam Canal Boat.

istory as its pages were unfolded yes- ALBANY, N. Y., September 9.-F. course of current events. It is almost to this city. During these trips, which decisions impossible, therefore, to read books, have occupied them two weeks, they and the newspapers becomes the library of this age. For this reason, if there were none other, its pages by the offer by the State of New should be unternished by vice and New old Board of Directors in taking should be unternished by vice and York, of a premium of \$100,000 for the charge of the road. unpolluted the revolting recitals of steamer that will make four miles an At a meeting of Republicans in the crime. It should lash the corrupt in hour without abrading or washing the First Ward, last night, G. W. Denistance of the control of the office and maintain, in morals and banks, but so far have not found any nated for Alderman. politics, the loftiest standard of purity. that will compare for completeness If the press, like governments, be- in detail and excellence of purpose come defiled there will be nothing of purity left, and Athelsm and vice recently patented by him. Mesers. would reign everywhere. The pulpit, Mahon and Emerson, joint patentees unheralded and unsupported, would of this product of Mahon's brain, are chusetts Woman's Suffrage Associa tail of its aims, and a despot would be sanguine that their boat will be adopt- tion have decided to memoralize required to repress the supreme dia- ed, and that Memphis will carry off State conventions in the event of a the premium over all competitors. They met with encouragement at every point along the canal, and The following table exhibits the shrewd men predict the adoption of the Mahon patent by the Commissioners erritory during the year ending May who meet here in October. The con-31, 1870, as compiled from the mortality returns at the Census Office, Autract for the construction of Mahon's boat is out, a leading stipulation beble, say about four weeks. Everything looks favorable for Memphis carrying off the \$100,000. If she does, it will be a great triumph for her and the South, as competition for this splendid prize is not limited to the

CONFLAGRATION.

Over \$150,000 Worth of Property Consumed in St. Louis.

United States.

Sr. Louis, September 9.-About 12 o'clock last night a fire broke out in Nixon & Co.'s foundry and iron works, 715 Park avenue, some twothirds of which, together with many valuable patterns, were destroyed. The loss will probably amount to

\$15,000.

The fire extended to the large malthouse of C. Hoppe & Co., and rained all the rear portion of it, together with a large quantity of grain. The loss on stock and building will proba-bly reach \$40,000, and is insured for What purports to be a record of the \$5000 each in the Washington Muomicides in the United States for the tual and Franklin Insurance Compayear ending May 31, 1870, is put forth | nies, of St. Louis. Some small dwellings adjacent were

by the Census Office at Washington, which, after dozing away for months, slightly damaged. wared up in a lively ont in the extensive bucket fectory of Tanim & Co., on Missouri avenue, begraph out of whatever original truth tween Chouteau avenue and Papin street, which totally destroyed the faccides of the United States, we are tory, paint shop, seven drying-old number 2052 for the term named, houses, and other shops attached to 156 of the slain persons having been the factory-in all, covering nearly a whole square of ground. The im-mense stock of finished work, and In the territories 203 homicides are rerted, and those killed by Indians dressed and raw material stored in the various buildings was nearly all deut down at 155, leaving, 1649 of the stroyed. The loss on the buildings is about \$25,000, and on stock \$60,000. one fifth of all these are set down to the account of Texas, something The only insurance ascertained is \$15,000, in St. Louis companies. At this last fire several adjacent tenant houses were badly damaged. or had any one State been the scene The total loss from both fires will probably reach one hundred and fifty

have rung with it long before the Centhousand dollars. The insurance on the foundry is as follows: Washington Mutual, of St. Utah, too, we find set down as having Louis, \$3000; Cleveland, of Cleveland, n its borders in a year, and not a \$3000; City Fire, of Hartford, \$3250, ingle person killed by Indians, while Insurance on the malt-house, stock in its borders in a year, and not a Vermont is set down as having had and building: Brewers, of Milwaukee sixty-three homicides of men and ten \$15,000; German, of St. Louis, \$5000 of women in that time. Who believes Washington Mutual, of St. Louis such "statistics" as these? Evidently \$5500; St. Louis Mutual, of St. Louis he Census Office, anxious to atone for \$5000; Jefferson Mutual, of St. Louis its slumbers, has poured forth some \$5000; Franklin, of St. Louis, \$5000, figures, it hardly knew what, as cor- Insurance on the bucket factory: rectly representing the violent Jefferson Mutual, of St. Louis, \$4500; deaths in the United States "during the year ending May 31, 1870." \$3500; St. Louis Mutual, of St. Louis, We quote the exact language of \$5000; German, of Cleveland, \$2000 he purported table in order Globe Mutual and American Central o show the haste and carelessness both of St. Louis, \$1500 each. with which it has been hustled out

SPORT. Pool-Selling at Saratoga

ous statistics of the period from 1850 1860 were published, and it there Saratoga, September 8 .- Amerisears that the homicides were 1045. can Crews are selling very well too s-k us now to believe that in one night, and there is considerable confiyear we all but double those figures dence felt in some quarters that they ten years is absurd. It would be may take the first prize. The follow ing pools were sold to-night: Taylor had enough to ask us to credit the prended showing which asserts that nship, 20, 25 and 30; Wards, 10, 11 the ten years from 1860 to 1870 show and 12; Biglin, 10, 10, 8 and 8; Tyne, 7, 8, 8, and 9. The crews are placed wice as many homicides in the nited States from 1850 to 1860. To gain the relative proportions we most exclude from the present show-ing the 155 killed by Indians, that m not having been recorded ten this census 1897, or 852 in excess of those of the last. Allowing the same rate of increase for homicide as the cent., we find an absolute increase sho wing just made. Considering how great war has occurred in the past ecade to harden men to bloodshed ow the Pacific rallroad has spanned he continent, dotting the far West with savage border villages in rank profusion; and how the Southern There is a pretty fresh wind blowing at this hour, 12 o'clock, but it is exwept away again and again by Conessional action, it is amazing that he number of homicides should not the Ward crew is increasing.

CRIME.

The New Commissioner of Agricul-Murder and Suicide-Awful Scene. How. Frederick Watts, of Carlisie, Pennsy, Vania, has been appointed successor to General Capron, Commissioner of A riculture, to date from the 1st of August. Judge Watts is a native of Carlisic, and was educated at Dickinson College, where he was graduated at the age of nineteen. Innediately after his graduation he went to Eric county. Pennsylvania, and there lived three years with his incie, working daily on his farm. It was while residing with this uncle at the taste for farm life, which has kins, hearing some unusual sound in haracterized his whole career, was the doctor's room, went in and found tily formed, and a practical knowl- him lying on the floor, with his head

MEMPHIS, TENN.

LITTLE ROOK, September 3.—The citizens of Sebastian county held a meeting the other day, and denounced terday is this briefly given. So widely distributed are sources of telegraphic information that men can hardly do more than keep pace with the course of current events. It is almost

. POLITICAL.

The Woman Suffragists. Boston, September 9.—The Massa woman's suffrage movement.

Interview with President Grant. of Scott is one from Spartansburg county signed by twenty-six citizens including the United States Commis sioner, United States Commissioner, United States Assessor, Probate Judge and Sheriff, denying that any of the alleged acts of violence were perpertrated by Ka-Kinx.

The President expressed his approval of the general features of the opinion of Attorney General Ackerman upon the civil service bill.

Adelegation from the Southern Re-

A delegation from the Southern Republican Press Association, appointed by the recent convention held in Washington, waited on the President at Long Branch yesterday and made a complaint that the Republican press of the North Ignored the Repub-lican press of the South; that the latter was left almost entirely in the background as to Government patron-age. Other abuses of interest to the President promised to give the mat-ters his attention.
